

## **QJA Gold Coast Branch Informal Group Discussion**

The Gold Coast Branch of the QJA invites members to attend informal group discussions about topics relevant to JP and CDecs.

The meetings are open to all QJA financial members and at each meeting we will discuss a different topic and choose a topic for the following meeting.

This is an opportunity to meet other JPs and CDecs, share experiences, and learn about a particular topic from those with more experience.

Come along and share your tips and experience.
